The book designed by the artist herself is a review of her wall paintings produced during last 10 years: oil-lacquer paintings based on chalk ground, screen prints based on lead and glass, as well as the prints developed from digitally edited photographs. One of her main artistic concerns are cloud formations and the particular blurred women portraits.

Published on the occasion of the exhibition *Eva Schlegel* held at the RLB-Kunstbrücke, Innsbruck, 16 June – 11 September 2009
